

EURAXESS – Researchers in Motion

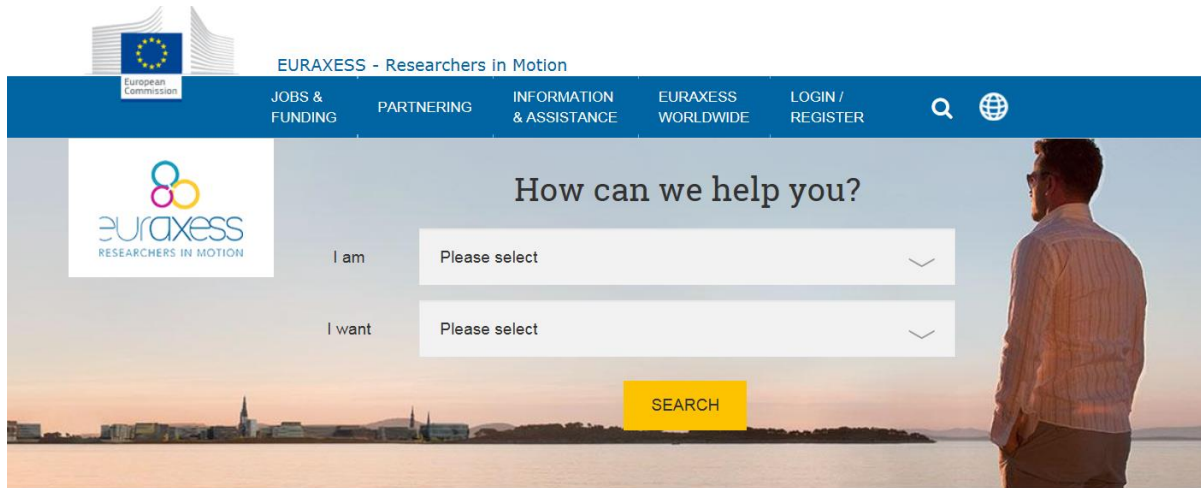

IAUP - Young Scientists
July 7th 2017, Vienna

What is EURAXESS?

- EURAXESS is a pan-European initiative delivering information and support services to professional researchers.
- The EURAXESS webportal is a platform for researchers, entrepreneurs, universities and businesses to interact with each other.
- EURAXESS covers **mobility and career issues** for researchers and entrepreneurs, supports universities and businesses in finding the right talent and connects people, projects and funding.

EURAXESS portals

Recently overhauled, adding:

- Responsive design
- Improved search functionality
- Partnering tool

Welcome

EURAXESS - Researchers in Motion is a unique pan-European initiative delivering information and support services to professional researchers. Backed by the European Union and its Member States, it supports researcher mobility and career development, while enhancing scientific collaboration between Europe and the world.

Working Environment

In 2005, the European Commission adopted a **European Charter for Researchers** and a **Code of Conduct for the Recruitment of Researchers**. 857 organisations have endorsed the Charter & Code principles.

HR EXCELLENCE IN RESEARCH

The **Human Resources Strategy for Researchers** supports research institutions and funding organisations in the implementation of the Charter & Code in their policies and practices. 346 organisations have received the HR Excellence in Research award.

The Retirement Savings Vehicle for European Research Institutions (**RESAVER**) is a pan-European Pension Plan that enables mobile and non-mobile employees to remain with the same pension arrangement when moving between countries and when changing jobs.

Science4Refugees

The screenshot shows the top navigation bar of the Science4Refugees website. It includes the European Commission logo, the text 'EURAXESS - Researchers in Motion', and several menu items: 'JOBS & FUNDING', 'PARTNERING', 'INFORMATION & ASSISTANCE', 'EURAXESS WORLDWIDE', and 'LOGIN / REGISTER'. Below the navigation bar, there is a breadcrumb trail: 'HOME > JOBS & FUNDING > SCIENCE4REFUGEES'. The main banner features the Science4Refugees logo (three interlocking circles in blue, green, and orange) and the text 'Welcome refugee researchers and students looking for a suitable job!'. Below this, there is a list of bullet points: 'Jobs and opportunities all over Europe', 'Free and easy access to the Science4Refugees initiative', 'Be part of the European Research Community', and 'Information on working and living in Europe'. The background of the banner shows a blurred image of two people in a professional setting.

- Find jobs and internship opportunities suitable for refugees students and researchers
- Post CVs
- Find or be a S4R research buddy
- Information on working and living in Europe

Our mission: help you get started in Europe

The Science4Refugees initiative and EURAXESS portal provide research refugee friendly internships, part-time and full-time jobs, access to an European Research Community, as well as a complete range of information and support services on working and living in Europe.

-  Search for refugee friendly jobs
-  Register to join the community
-  Post CV for best opportunities

TRAINING FOR RESEARCHERS

Find training resources

Training for researchers is an opportunity for professional development and for improving their employability through access to measures for the continuing development of skills and competencies.

Such measures should be regularly assessed for their accessibility, takeup and effectiveness in improving competencies, skills and employability.

[TRAINING RESOURCES FOR RESEARCHERS](#)

TRAINING FOR RESEARCHER SKILLS

Improve your researcher skills

Initial training of researchers will improve their research skills and help them join established research teams. In parallel, complementary training will enhance their career prospects in both public and private sectors.
